

EAGLE PROJECT APPROVAL PROCESS

1. **FIRST SIGNATURE:** Obtain troop committee approval.
All committee recommendations have been incorporated and the project booklet is in its final approved format.

The Committee Chair signs for the *Unit committee member* line.

2. **SECOND SIGNATURE:** Share project proposal with Scoutmaster.

The Scoutmaster signs for the *Scoutmaster/Coach/Advisor* line.

3. **THIRD SIGNATURE:** Confirm plans with benefitting organization.

The contact person for the benefitting organization signs for the *Religious institution, school, or community representative* line.

4. **LAST SIGNATURE:** Review plans with District Advancement Representative.
This signature is always last and must be obtained before the scout can start fundraising or any aspect of the project. (Other than planning.) Please plan ahead to make sure all signatures can be obtained to meet the schedule in the project plan.

Contact the District Representatives to determine who will sign for the *Council or district advancement committee member* line.
